i. History of the Institution:

Mahatma Education Society, is an ingenious initiative of DR. K M Vasudevan Pillai and Joint Secretary, Dr. Daphne Pillai. It is a successful educational enterprise, with a rich heritage of over 4 decades in delivering quality education through its 48 institutions from KG to postgraduate professional courses at Chembur, Gorai, New Panvel (East), New Panvel (West) and Rasayani.

MES' Pillai College of Education and Research, New Panvel was established in 2007, with NCTE recognition, university of Mumbai affiliation for the B.Ed. program with an intake of 100 students and M.Ed. program (2008) with an intake of 35 students. The college is a PCP centre for MA (Edu.) of Institute of Distance and open learning Mumbai University, since 2008. We also have Ph.D. research centre in Education established in 2012.

It is located in Sector-8 adjacent to Mahatma School of Academics and Sports in a convenient residential locality and is easily accessible by railways and roadways. The institution is blessed with a striking and conducive environment keeping in mind the need of the present with a futuristic outlook. The building is designed with a purpose of creating virtual classrooms. Our students are privileged to have access to a technologically viable lecture hall with internet connectivity. We have a well equipped student friendly library with open access system and internet connection. Our other infrastructural credits include a spacious activity hall, Psychology lab, Teaching aid Room, Staff room, Audio visual room with Computer, LCD's, OHP, Tape recorders, Television and a full-fledged well designed Computer room with sixty computers. It has LAN system with LCD and internet connectivity. We have a rich collection of CD's displaying learning materials for all classes and subjects. Our human resources complement the material resources by striving to provide the best to our students. Our competent teaching and non-teaching staff are the strong pillars of this institution's eminence. We at MES' Pillai College of Education and Research, New Panvel believe in the TEAM WORK- Together Each Achieves More Success. To experience this unique humane touch one needs to be part and parcel of the Pillai College of Education and Research, New Panvel.

ii. Vision Statement:

“To foster positive attitudes and ideals to be socially responsible and competent teacher with individual identities in order to enable the student teachers to translate great ideas into good actions.”

- Our faculty conducts a one week crash course on Microsoft office to update the student teachers' digital skills in word, excel and Power Point.
- A certificate course on Libre Office for student teachers is provided to help them understand and get acquainted with open source application software. This is done under the Spoken Tutorial project which is developed by IIT Mumbai. The entire course is a weeklong programme wherein the students invest an hour daily. The students learn with the help of Spoken tutorials prepared under the able guidance of proficient and competent intellectuals of IIT Mumbai. At the end of each tutorial, the students submit assignments which are based on the topic covered in the tutorials. On completion of the course, the students are provided with a certificate from IIT Mumbai.
- Considering the importance of English language in today's world, Spoken English course was started in the year 2010-11. It was prepared in the form of different modules to develop the written and oral communication of D.Ed. and B.Ed. student teachers. This practice has been continued to enhance the communication skills of student teachers as an extended component of curriculum transaction
- The institution offers a Certificate Course in Communicative English, at a very nominal (subsidized) fee to the students of neighbouring schools and colleges. The course enabled the students to develop fluency in speaking English, develop confidence and enhance personality.
- In association with Cambridge University Press India Ltd. our college has conducted Testing Knowledge Test (TKT) for the student teachers. It is a test awarded by the highly prestigious University of Cambridge ESOL and tests teachers' knowledge of teaching English to speakers of other languages. It aims to increase teachers'

confidence and enhance job prospects by focusing on the core teaching knowledge needed by teachers of primary, secondary or adult learners, anywhere in the world.
