Mrs. Geeta S. Thakur

With great zeal and zest, we proudly present the next edition of our college magazine 'SPARK'. The magazine is a congregation of experiences that will help us thread the lanes of memory. The cherishing moments of our journey through this academic year is captured and reflected in the articles given by our enthusiastic contributors. The literary articles reveal the potential and the talent of our students and as well as teachers. I thank everyone for their endearing love and support, and hope this association continues for a life time.

The theme of this issue of the magazine is – 'Enthusiasm'. *Energy which vibrates within an individual! Sparks radiated by an individual!*

It is this energy that gets transferred to anyone who comes in touch such individuals. It is contagious. Enthusiasm and success go hand in hand. Enthusiasm inspires confidence, raises morale, builds loyalty and is priceless, ultimately leading to success. Nothing great was ever achieved without enthusiasm – Ralph Waldo Emerson.

Ivern Ball's words of wisdom: "*Knowledge is power but enthusiasm pulls the switch*" justifies our theme as teaching is a profession which demands a lot of ardour and passion in the teachers. They are a powerhouse of knowledge, but it is only through their enthusiasm that this knowledge can be effectively transmitted to the students. This energy is necessary to shape the minds of the future generation; it is also necessary for the progress of our nation.

Water turns into steam with a difference of only one degree in temperature, and the steam can move some of the biggest engines in the world.

That is what enthusiasm helps us to do in our lives.

*Let us Live with the 5 E's*

*ENERGY*

*ENTHUSIASM*

*EXUBERANCE*

*ELATION*

*EUPHORIA*

This endeavour would not have been possible without the unconditional support and guidance of our beloved Principal Dr. Sally Enos. I express my heartfelt gratitude to Ma'am for the faith and trust she put in me by allowing me to compile this issue of SPARK.

I hope this venture of ours will find a special place in the heart of the readers. Wishing great success and an enthusiastic and sparkling life ahead
