All the doubts and cooperation from my professors were clear and co-operated.

Good presentation and way to carry deliver content in effective way

Able to understand students mindset in different conditions Can find possible ways to solve student issues.

15.b. Mention TWO expectations from the Teacher-Education Program that are NOT fulfilled.

1) classroom management 2) handling work and stress other than teaching.

Class management skills...

Not as such

Internship in other boards and other schools or colleges

Insight on techniques to handle students in class

Nothing like that everything was good

Nothing as such but more practice as a student teacher to teach B.ED students.

Proper format for pedagogy was not clear (English) each guide suggests different format of writing lesson plan which created confusion

No expectations

All is good

Everything is fulfilled

Job Assistance

None.

Equality,

May be its perfection in teaching for me but i also think perfection comes with a lot of practice.

Inclusive learning and assessment pattern

Confidance,

Nothing

Lack of facilities Curriculum

Good action research training and use of technology in education

Till date all the assistance and guidance is given.

Childish project work

Proper placements of the students

Nothing

Activities were not fulfilled in classroom and board work

Nothing as such

There is nothing such as

According to me what I expected was received

16. Considering all your experiences with respect to Teaching-Learning and Evaluation process in the college how do you rate the college on a five point scale?

41 responses
