

MES' Mahatma School of Academics and Sports, Khanda Colony

Pillai College of Education and Research (PCER), Panvel, has teamed up with MES' Mahatma School of Academics and Sports in Khanda Colony to facilitate resource sharing and internship opportunities for its students. This collaboration provides PCER students with access to the resources and facilities at MES' Mahatma School, enriching their learning experience and fostering practical skills development in academics and sports. Furthermore, students can partake in internships at MES' Mahatma School, gaining valuable hands-on experience and deeper insight into academic and sports education. This partnership serves as a platform for PCER students to expand their knowledge, forge professional connections, and prepare themselves for successful careers in the education sector.
