

MEMORANDUM OF UNDERSTANDING (MoU)

Between

**Mahatma Education Society's
Pillai College of Education and Research
New Panvel (W)- 410 206, Maharashtra, India**
and
Heartfulness Institute, Novi, MI, United States

This MoU is entered into on the 1st day of **December, 2021** by and between Heartfulness Institute, MI, US and Pillai College of Education and Research (hereinafter called PCER-Panvel) situated at New Panvel, Maharashtra, India, affiliated to University of Mumbai.

General Objective:

This Memorandum of Understanding (MoU) is to stimulate and facilitate the development of collaborative and mutually beneficial programmes and activities which serve to benefit the student community, and enhance societal well-being by engaging in research and action in the field of Wellbeing & Education.

Areas and Modes of Collaboration:

Heartfulness Institute, MI, US, and PCER-Panvel, Maharashtra, India, have agreed that in support of their mutual interests in the field of Education & Wellbeing, both the institutions will:

- Cooperate in organizing lectures, workshops, practical activities and research in the fields of mutual interests such as Social and Emotional learning (SEL), innovative teaching-learning methodologies, mental well-being as mutually agreed in writing between the parties;

- Collaborate to enhance students' moral leadership, and social and emotional skills;
- Exchange ideas for enhancement of quality education

Terms and Conditions:

1. The MoU may be amended, renewed and terminated by mutual written agreement between the Heads of both the institutes.
2. Either institute shall have the right to terminate this MoU upon 60 days prior notice period to the other institute.

Confidentiality:

1. Both the institutes agree to hold in confidence any information or data designated by the institutes as being confidential and which is either obtained or created through implementation of this MoU and will not disclose to the third party without the written consent of the other institute.
2. The above confidential clause does not include the information already available through public domain or information/data possessed by either institution irrespective of this MoU.

Coordinators:

Both Institutes will designate persons who will have responsibility for co-ordination and implementation of this agreement.

Intellectual Property Rights:

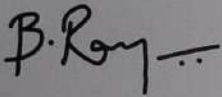

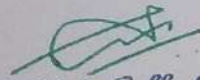

The Intellectual Property Rights (IPR) that arise as a result of joint research and collaborative activities under this agreement will be worked out on a case to case basis and will be consistent with officially laid down IPR policies of the

two Institutes. Any other material developed by any one party independent of this MoU will remain the copy right of that institution.

Signed in Duplicate:

This MoU is executed in duplicate with each copy being an official version and having equal validity. By signing below, the Institutes, acting by their duly authorized officers, have caused this Memorandum of Understanding to be executed, effective as of the day and year first above written.
